I am a results-driven Digital Marketer with hands-on experience in SEO and performance marketing. I hold a Diploma in Digital Marketing from TGC India and have worked on creating and optimizing digital strategies that improve visibility, generate quality leads, and drive real revenue for businesses. Currently, I help brands at Digital Top Guns grow their online presence through data-driven campaigns, continuous optimization, and smart audience targeting. I enjoy working in fast-paced environments where my skills directly contribute to business growth and success.

Experience

Digital Marketing Intern - TGC India

March 2023 - May 2023

- Assisted in the planning and execution of digital marketing strategies under the guidance of senior marketers.
- Supported the creation of marketing content for social media platforms, contributing to a 20% increase in overall engagement.
- Participated in the analysis of marketing data (campaign results, conversion rates, traffic, etc.) to help shape future marketing strategies.

Jr Digital Marketing Executive - Digital Top Guns

August 2023 - present

- Work on multiple projects across different industries, planning and executing digital marketing strategies based on each client's business goals.
- Perform SEO activities including keyword research, competitor analysis, on-page optimization, and coordination with developers for technical improvements.
- Manage and optimize Google Ads campaigns, monitoring keywords, budgets, conversions, and performance to improve lead quality and ROI.
- Plan, run, and optimize Meta Ads (Facebook & Instagram), testing audiences and creatives to improve reach and conversions.
- Monitor campaign and website performance using tools like Google Search Console, Google Analytics, and SEMrush, and take action based on insights.
- Regularly analyze results and optimize strategies to help clients achieve better visibility, traffic, leads, and business growth.
